The 6th EOS Topical Meeting on Visual and Physiological Optics (EMVPO 2012) will take place at the University College Dublin (UCD), Ireland, 20 – 22 August 2012. This is the sixth of a series of meetings that has previously taken place in Wroclaw, Poland (1999), Granada, Spain (2004), London, UK (2006), Heraklion, Greece (2008), and Stockholm, Sweden (2010).

The EMVPO meetings, attended by students and world-leading researchers in visual and physiological optics, are much appreciated due to their scientific quality and informal atmosphere encouraging discussions.

Areas to be covered include basic and applied elements of vision research such as adaptive optics and eye dynamics, ocular aberrations and corrections, intraocular scattering, retinal image quality, cornea, lens, retina and photoreceptor optics.

EMVPO 2012 is organized in co-operation with the Advanced Optical Imaging Group at the UCD.

**Focus of this topical meeting:**

- Eye models and intraocular lenses
- Cornea and lens
- Anterior segment imaging
- Aberrations and retina image quality
- Ocular wavefront sensing
- Peripheral wavefront sensing and vision
- Retina optics and photoreceptor function
- Vision and physiological optics
- Retinal imaging and analysis
- Novel instrumentation and techniques
- Numerical image processing
- Multiphoton techniques

**Expected attendance:**

100 - 120 student researchers and experts from the field of visual and physiological optics.
Present your products at an exceptional place!

Benefit from our sponsoring and advertising opportunities and present your products at our exceptional venue in Dublin. The meeting will take place in the William Jefferson Clinton auditorium on the Belfield Campus of the University College Dublin (UCD) which is ideally located in Dublin. The capital city of Ireland has transformed immensely during the Celtic Tiger Years welcoming the visitor to its sights, its friendly people and culture, and its attractive modern waterfront area.

In this scenery you may meet new or catch up with existing customers in a relaxed atmosphere. This event will offer your company the opportunity to get access to your niche audience by exhibiting with a table top, by publishing print and electronic advertisings on all relevant publications and announcements or by sponsoring social events like the welcome reception.

Market your products to our attendees and gain visibility! Take advantage of this event as a platform providing you with contacts to undergraduates, graduates and PHD students in the field of visual and physiological optics at an international level. Here, your products do not drown in the crowd of a noisy and stressful exhibition!
