Topical Meeting Proposal Form

I would like to propose the following topic/field of interest for a future EOS organised conference/topical meeting:

Topic

Possible meeting title

Suggested date and venue

Is this meeting one in a series?

Yes No

If yes, please provide further information:

When did the meeting series start? _____

When was the last meeting? _____

Who was the organiser? _____

Where did it take place? _____

Number of attendees? _____

Meeting website: _____

I would be willing to chair such a meeting and organise the scientific part

Yes No, but I would like to suggest the following person:

Motivation to organise such a meeting

focus, relevance, originality, scientific merit etc.

EOS Focus Groups that could be relevant for the meeting:

- Computational Optics and Photonics
 Imaging
 Micro-Optics and Information Optics

- Optical Metrology and Sensors
 Photonic Atoms
 Quality Management

- Terahertz Radiation
 Training and Education
