

Guided Tour Vasa museum

Saturday, 21 August 2010, 17.00 hrs

for attendees of the EOS Topical Meeting: 5th European Meeting on Visual and Physiological Optics (EMVPO 2010), 22 – 24 August 2010, Stockholm, Sweden

In advance of the conference, join our visit to the Vasa museum! The guided tour will give you an overview about Vasa's history - the king, construction, maiden voyage, sinking, salvage, preservation and much more. Plunge into an important part of the Swedish marine history and marvel at the most conserved warship of the 17th century.

To book this event, you are offered to purchase your registration via our secure online shop www.myeos.org/shop. Registration fee includes entrance fee and guided tour through the museum.
